

2024 WOMEN'S FORUM EDUCATION AWARD ELIGIBILITY & INSTRUCTIONS

About the Women's Forum of New York

Preeminent New York women leaders across many fields created the Women's Forum in 1974 to make a difference for each other and take an active leadership role in matters of importance to them. Since 1987 the Women's Forum Education Fund has provided Awards to help mature women—35 and older—pursue educational goals and enhance their capacities to provide leadership and productive and supportive service to their communities and beyond.

About the Award

The award recognizes extraordinary women and often heroic effort in overcoming adversity as they restructure their lives for success. Unlike financial aid or scholarships, the \$10,000 award goes directly to the recipient for whatever needs loom largest for her, whether tuition, childcare, medical bills, elder care, transportation, housing, or any other priority. Applicants and their references should share the narrative of obstacles confronted and overcome, and any demonstrations of leadership and care for their community.

Awards have been granted to over 335 women, amounting to over \$2.6 million in assistance. Previous recipients have gone on to obtain master's degrees and Ph.D.'s and become leaders throughout the city.

Eligibility

The award is available to women aged 35 and over who have faced and overcome adversity and now, have resumed the pursuit of **their first associate or bachelor's** degree. Applicants must demonstrate noteworthy promise and resilience in the face of challenges and must also demonstrate a commitment to helping others and to making a difference in their community, large or small, when their own career goals are achieved. Financial need and academic excellence are not the primary determining factors in the selection of recipients, although true financial need should be evident and the candidate should be in good academic standing. International or undocumented students should note that payments will require us to issue a W-9 to recipients and should consult a tax professional as to what amount may be taxable (if any). Previous awardees will not be considered.

Applicant must:

Applicants must submit an official transcript upon notification of selection for the award. The payment

will be given in two installments: \$5,000 upon receipt of the applicant's current official transcript following notification of the Award no later than June 30, 2024, and \$5,000 in January 2025 or upon successful completion of an additional semester of 6 or more credits before June 2024. Recipients will be required to submit a new official transcript to document the additional semester of 6 or more credits before the second installment is awarded. The Women's Forum will issue a Form 1099 to all Awardees in January 2025, for calendar year 2024, and again in January 2026, for calendar year 2025.
